Scoring Inquiry:

The addition of the races is not right.

A boat series score shall be the total of her race scores, except one discard.

The Nett sum shown in the list is in really the Total: it is the sum of the addition of all races including the discard.

For GER 13366: The addition of all races including the worst race is 985. The sum without the discard is 773.

It seems to be wrong for every sailor.

Therefore the ranking is wrong.

The sum for CZE 550 is 969, without the discard it is 793. So it must be behind GER 13366.

The sum for ITA 9598 is 946, without the discard it is 774. so it must be behind GER 13366.
