Scoring Inquiry:

Dear race committee,

we are 3 J70 boats in class ORC sportboats.

We (boat name: OMG) finished race 2 as the first J70 on elapsed time ahead of boat name: nautia.net.

The results show that nautia.net beat us on corrected time.

J70 Nautia.net and J70 Kanguru will confirm the correct finishing order.

Please explain. we also ask for the score to be amended to fit the correct finishing order of race 2.

Thank you.

Response Title:

OMG has a CDL of 6.864, Kanguru has a cd lof 6.864 and Nautia has a CDL of 6.802. Correct time showed at the finishing results is correct.
