Scoring Inquiry:

During race #7 I was late to the line at go, so there was no possible way in which I could have been over. Furthermore, during race #6 I started below 217966 at the pin end of the line. We both accelerated at the same time, with him being above me at go. Additionally, he was scored while I was not. Finally, when I asked the committee boat who was calling people over if I was over, they said my number was not written down so I was not DSQ'ed. I placed #4 in race 6 which many can attest to, while I finished mid-fleet in race 7. Cheers, Jordan
