Scoring Inquiry:

I finished 7th in the 3rd (& last) race today then headed back to shore as I wasn't intending to do a 4th race. The safety boat came across to check & I told them I was retiring for the day (they must have got confused & thought I retired from the 3rd race) so please reinstate my 7th. Thank you

Response Title:

Corrected Score: 8

Hi Paul, you were recorded in 8th place for race 8, which has been reinstated for you. Apologies for the confusion over the retirement.
