Scoring Inquiry:

Good evening. I would like to request a redress of the scoring for the June 8th race (S2 R3), Division 3 / White Sail. There seems to be an error in the elapsed and corrected times for Porto, Sail No 167. The Seidelmann 25 finished much after did (roughly 12 min more). Furthermore, it seems that the scores are not being properly posted to the website. The Daily races do not always appear and it is only on the Season Summary that we are seeing the information appear. Is it possible for the results to be posted in the proper place for all to consult. Many thanks. I await a positive outcome to this redress as it is seemingly a calculation error. Merci!

Response:

Apoloigies, RC provided the scorer with the incorrect start times. The results for series 2 Race 3 have been updated. The individual race results are always published before the summaries. If you don't see the updated results for the individual days, please hit refresh on your browser, if that does not work, you need to clear your cache in your browser & then reload the pages. The links to Series 2 race 1 & 3 individual result pages are below, and they are displaying correctly in my browser:
