Scoring Inquiry:

After the start, I heard my sail number 218034 which confused me because I was in the 2nd row during the start. I started a boat length behind Gustave Deseau, and Mathieu Graham, where Mathieu was scored (no UFD) and Gustave was not (UFD). I finished 5 overall (Behind Al Clark, and in front of Victoria Coady), which both can attest to. I believe there was no possible way I could have been over, as I was 2nd row at class flag down.

Witnesses:

Gustave Deseau Mathieu Graham

Response Title:

Verified via the voice recording and the score sheet that you were noted as being over the line during the last minute of the start sequence.

Note that you cannot be over the line during any of the last minute of the starting sequence when a U flag is flying.
