### Scoring Inquiry:

The R.C marked me over (UFD) despite me being under the line for the whole last minute. They did not mark other boats who were over. They did this because I was right to leeward of the R.C. My witness will tell you that my bow did not ever pass in front of the orange flag.

### Witnesses:

Jordan Brown- 218034 Theo Chapman- 22

### Response:

Verified via the voice recording and the score sheet that you were noted as being over the line during the last minute of the start sequence.

It was noted by multiple members of the Race Committee that given how close you were to the start pole, it was odd you did not realize you were over. And note that this was true for both U flag starts
