Scoring Inquiry:

We raced WS Div 3 but were scored in Div 2. We finished 2nd in all 3 races behind M27. We believe there was also another boat racing in this Division (a Beneteau ?) who is not scored either.

Witnesses:

Crews of M27 Windquest 1 and 8407 Southbound

Response Title:

Apologies Ben! The results have been updated & republished.

FYI: The Beneteau sail #1085 is not SLVYRA rated yachts list. As per the SI's boats that are not on this list are not scored.
