Race No: 1,2,3

Posted Score: 19, 19, 19

Protest Party: FK - ITA 43 - Giuseppe Paolillo

Scoring Inquiry:

Yesterday in the first, second and third race i had different places. Today i have three 19th why?

Response Title:

the finishing position of 43 in races 1, 2 and 3 blue is 19th

there were issues with other finishing kiteboards in those races, and initially were missing from the ranking.

when all issues were corrected, some kiteboards' score was adjusted to reflect the actual finishing position
