Request No.: 50

Course:

Race No.: 7

Posted Score: 51 SCP

Competitor: Optimist Silver - Novice, U10 - SGP 4471 - Gentaro Lee

Scoring Inquiry:

We request that penalty (scp) be removed.

I signed out of race control, but I was late. However I saw several other people who did not sign out in the list, and did not come back to sign out. Hence I am requesting that the penalty be removed as the penalty is not applied uniformly, and I made the effort to come back to NSC to sign out.

Response:

Together with you, 3749 and 4562 given UFD (92point) so no point giving them SCP. 919 given SCP. The rest all checked and signed within time limit
