Scoring Inquiry

Race Date: 2023-07-23

Request No.: 56

Course:

Race No.: 7

Posted Score: 51 SCP

Competitor: Optimist Silver - SGP4471 - Lee Gentaro Noah

Scoring Inquiry:

I refer to the judge comment on request number 50. The application of the penalty is unfair as the scp was imposed on the worst score for all other sailors, hence having no impact. Requesting for scp to be imposed on my R1 instead so that the penalty is applied fairly.

Response:

Do refer to SI 14.4 on how we imposed SCP.
