Course: Finish

Race No.: 8

Posted Score: 15

Competitor: RS 500 - CZE 1652 - Michal Lojka

Scoring Inquiry:

There were 3 boats finishing at the same moment.

We were finishing just next to mark, before boat cze 1053, which was closer to RC boat.

And at the moment we missed the mark, they not yet missed the RC boat

So we should be scored 14.

Response:

The result matches with the RC record. Discussed with boat representative.
