Scoring Inquiry:

Hi Wendy, Adlib was scored whitesail instead of spinnaker. I confirm they flew the spinnaker. Thank you

Response Title:

Thanks Laurent. There's something funky going on with Ad Lib's Sailwave record, their spin rating should have been used in race 5 as per my files. I've deleted & recreated Ad Lib's record in Sailwave because this is the third race that they were rated white sail when it should have been spin. The rating for race 5 has been corrected and the updated results have published.
