Scoring Inquiry:

Hi Guys,

Can I enquire about race 2. I was marked as BFD.

With a minute twenty to go I hit the starboard side of the committee boat due to another competitor struggling to tack away. I completed a 360 and due to be late for the start, I started in the second line with numerous boats in front of me.

I was marked as BFD on the blackboard and was a bit surprised. The boats in front were not marked as BFD.

Would it be possible to take a second look?

All the best,

Hugh Delap
