Scoring Inquiry:

Hi, this is not a high priority query but my son is in his first year in ilca (38kg). He went out both days, retired on Sat went back sun determined to compete, he raced the first race, was coming round the last mark with 3 or 4 other boats when they were finished as more than 15 behind first boat. He has been scored as DNC. Obviously not a big deal but can you please let me (him) know why he's DNC and not the position he finished? Thanks

Response Title:

Corrected Score: 29
