Scoring Inquiry:

I do not know why I have DSQ on that race, finishing in 12th place in that race. I was flagged but did my full spins, as fast as I could, approximately 7-10 seconds after the flag.

Witnesses:

Mark Andrew Robin

Response Title:

DSQ has been reviewed with the judges and the competitor was witnessed completing 1 and a half turns after being flagged (starting on starboard, but finishing the second half turn on port).
