### Scoring Inquiry:

THA 220240 and THA 8 were on port reaching to the finish at the flag end whereas I sailed by the lee on starboard to finish on the boat end. It was a close finish between THA 220240 and me, but I believe I crossed the line first. After the race, I asked Kuhn Jimmy and Kuhn Pong (two members on the race committee, recording the finish) and they both said I crossed the line before 220240, meaning that I scored a 1 in Race 6.

### Witnesses:
