Scoring Inquiry:

Yanis from Germany was scored 4th when he crashed before the finish and I over took him crossing the line before he did. He also was only able to finish the race with his kite in the water and swimming across the finish line. You can clearly see from the live stream footage that he was not across the finish when I passed him.

Witnesses:

Karl Mader Switzerland

Response Title:

52 is scored before 46.
