**Scoring Inquiry:**

Original score posted was 16 but later on changed to 27 with no explanation. Sailor finished the race right next to sail 4556 Travis Yeo. We would like to know the reason for the score change, and if it's a mistake, to have it corrected back to original score 16.

**Response Title:**

Race Officer's Report:

Sail no 4595 touched finishing blue mark as he crossed (part 3, no. 31, of the sailing rule book). He was 17th at that time. But if he fails to exonerate himself, he would have gotten a DNF. As a learning, I told him to go back to course side and exonerate himself with a penalty turn and continue to finish. By then several sailors would have overtaken him. Hence his final position was 27.
