**Inquiry No: 31**

**Course: L2**

**Race No: 7**

**Posted Score: 27**

**Protest Party: Optimist - SGP4595 - Julian Ong**

### **Scoring Inquiry:**

Sailor originally posted a score of 16 but this was later changed to 27. No reason given. Sailor finished the race together with sail 4556, Travis Yeo. We would like the score to be changed back to 16.

### **Response Title:**

Race Officer's Report:

Sail no 4595 touched finishing blue mark as he crossed (part 3, no. 31, of the sailing rule book). He was 17th at that time. But if he fails to exonerate himself, he would have gotten a DNF. As a learning, I told him to go back to course side and exonerate himself with a penalty turn and continue to finish. By then several sailors would have overtaken him. Hence his final position was 27.
