### Scoring Inquiry:

Please can you clarify the way I read the SI it only caters for 1 excluded score after 3 races in 18.5 of the SI in the latest results published 2 worst scores have been excluded.

For the dinghy events, when fewer than 3 opening series races have been completed, a boat's series score will be the total of her race scores. When 3 or more opening series races have been completed, a boat's series score will be the total of her race scores excluding her worst score. However, the score from any Medal Race will not be excluded.

Thank you
